I declare that I have parental responsibility for the young person named on this form; I give permission for that young person to participate in activities organised by Gorsley Baptist Church, subject to the rules, policies and procedures of the Church, and supervised by staff and volunteers approved by the Church, including travel in private or hired vehicles and participation in activities off the Church site. Additional information for parents and carers:

- (1) We recognise that family life can be complicated!** Our system allows us to hold details of a second person with parental responsibility, to be copied into all parental communications. This could be useful for a young person who lives apart from one or both of their parents, for example – please speak to the Youth Pastor or contact the Church Office if you would like us to arrange this for you.
- (2) Photographs and video recordings of young people may be displayed internally (for example during a Sunday service) or externally (for example on our website).** Externally displayed images and recordings are always anonymous unless we have specific permission. If you wish to withhold your permission for images and recordings to be displayed (internally or externally), please advise the Church Office using dataprotection@gorsleybaptist.church.
- (3) Our policy allows authorised members of our Youth Team to use social media to keep in touch with young people aged over 13.** We work within a strict framework and transcripts of conversations are recorded and retained to allow review in the event of any concern. If you wish to discuss this then please speak with the Youth Pastor or a member of the Safeguarding Team.
